

Salad Blends

Cut & Come Again

Monet's Mesclun Greens

Spicy gourmet greens mix

This is the perfect blend of colorful, spicy greens for a Southern European-style salad. Just add veggies and dressing! Transplant a pot of these easy to grow mixed greens into the garden, a cache pot, or a hanging basket. To harvest, pick individual leaves, or cut the entire clump to 2" above soil and let it re-grow..... Cut & Come Again!

French Nicoise Salad Blend

Spicy gourmet greens mix

This is a traditional French blend of spicy wild greens including escarole, endive, cress, arugula, chicories, and dandelion. Just add some chives and a light oil dressing.... Transplant a pot of these easy to grow mixed greens into the garden, a cache pot, or a hanging basket. To harvest, pick individual leaves, or cut the entire clump to 2" above soil and let it re-grow..... Cut & Come Again!

Heirloom Salad Mix

Gourmet lettuce mix

This colorful assortment of red and green lettuces are easy to grow in the garden, cache pot, or hanging basket. This lettuce mix makes a wonderful salad on its own, or as a base with the addition of spicier greens and/or other vegetables. Harvest individual leaves as needed, or cut the entire clump to 2" above the soil and let it re-grow Cut & Come Again!

Italian Saladini Gourmet Greens

Colorful Mediterranean Greens

This traditional Italian blend is a colorful mix of Mediterranean lettuces, chicories, as well as Salad Burnet. Just add a sprinkling of feta cheese, pepperoncinis, and baby tomatoes. Dress with a light splash olive oil vinaigrette with red wine vinegar and a pinch of oregano. Transplant a pot of these easy to grow mixed greens into the garden, a cache pot, or a hanging basket. To harvest, pick individual leaves, or cut the entire clump to 2" above soil and let it re-grow..... Cut & Come Again!
